

Application for membership in the German Business Aviation Association e. V. (GBAA)

The objective of GBAA is to represent and promote the interests of Business Aviation in Germany and Europe. GBAA is involved in all relevant areas and represents the interests of its members consistently and competently in the following areas, among others:

- *Promoting safe, professional and economical flight operations;*
- *The voice of Business Aviation at authorities, legislative institutions and airports to be taken into account in future planning and changes;*
- *Consultation and participation in national and international legislative procedures;*
- *Reduction of air traffic charges;*
- *Equal treatment of Business Aviation in slot allocation at airports;*
- *Maintaining of decentralised aerodromes for Business Aviation;*
- *Participation in the introduction of new technologies;*
- *Durchführung von Informationsveranstaltungen für Politik und Wirtschaft;*
- *Organisation of information events for politics and business;*
- *Public relations to communicate the necessity and importance of Business Aviation in an understandable way;*

GBAA is a member of the European Business Aviation Association (EBAA) based in Brussels and the International Business Aviation Council (IBAC) based in Montreal. Thus, the interests of GBAA members are represented in the International Civil Aviation Organization (ICAO).
